The Facility

We are beyond excited for this project and, as the area of Windsor is well known as the Birthplace of Hockey, want to ensure the facility captures that spirit and is a place a whole community can be proud of.

The Sports Complex will include a NHL sized ice surface with a minimum of 500 seats plus standing room for 200 spectators, an indoor walking track and a 1200' x 2300' turf field.
