

TOWN OF WINDSOR BYLAW # 35 TRUCK ROUTES BYLAW

Be it Enacted by the Council of the Town of Windsor, under the authority of Section 194(4) of the Motor Vehicle Act, being Chapter 293 of the Revised Statutes of Nova Scotia, 1989 as amended as follows:

35.1 This Bylaw shall be known as the “Truck Routes Bylaw of the Town of Windsor”. This Bylaw shall apply to all areas of the Town of Windsor.

35.2 In this Bylaw:

- (a) “Town” means the Town of Windsor;
- (b) “Street” means a public highway, street, lane, road, alley, park, or place including the bridges thereon and private property that is designed to be and is accessible to the general public for the operation of a motor vehicle;
- (c) “Truck” in this Bylaw includes
 - i). a motor vehicle designed, used or maintained primarily for the transportation of goods, material or property, and weighing more than three thousand kilograms (3,000 kg), according to the registration certificate of the vehicle, and
 - ii). a tractor, roller, grader, backhoe, pay loader, road building or road maintenance equipment, or construction equipment, other than truck type vehicles, regardless of weight;
- (d) “Truck route” or “route” means a street in the Town approved for the passage of trucks;
- (e) “Collection of goods or supplying a service” means:
 - i) to obtain fuel, repairs, accommodation or food at commercial premises, or
 - ii) to collect or deliver cargo, or
 - iii) to supply a service at a commercial or residential property

35.3 No person shall drive a truck on any street in the Town except as permitted by this Bylaw.

- 35.4** (1) A truck may be operated on a street between the hours of seven o'clock in the morning and eight o'clock in the evening on those routes, ("Daytime Truck Routes") established in Schedule "A" hereto annexed.
- (2) A truck may be operated on a street at anytime on those routes ("Full Time Truck Routes") established in Schedule "B" hereto annexed.
- i). A person may, for the purpose of making a delivery or collection of goods or supplying a service at a location other than a truck route and while using truck routes until unable to continue to do so, drive the truck on those streets forming the most direct accessible connection between the nearest truck route and the delivery point, collection point or service point for merchandise or materials, and shall also return to the truck route by those streets forming the most direct accessible connection.
 - ii). Where the person has a subsequent delivery or collection to make, or subsequent service to provide, in the same area, he may proceed to make the subsequent delivery or collection or service before proceeding by the most direct accessible connection to the nearest truck route.
 - iii). If any truck is stored at a location other than the truck route, a person may drive the truck to and from the place where it is stored, and in so doing shall drive it on those streets forming the most direct, accessible connection between the storage location and a truck route.
- 35.5** The Town shall erect signs as depicted in Schedule "C" hereto to be placed on the truck routes listed in Schedule "A", Schedule "B" to indicate to drivers of trucks the streets permitted to be used as truck routes.
- 35.6** The provisions of this Bylaw shall not apply to municipal vehicles or public utility vehicles while actively engaged in maintenance and repair work on Town streets or utility appurtenances included therein, or to Police or Fire Service vehicles or equipment engaged in the line of duty.
- 35.7** Every person who violates or fails to comply with any of the provisions of this Bylaw shall be liable to a penalty of not less than One Hundred Dollars (\$ 100.00) and not more than Five Hundred Dollars (\$ 500.00) and in default of payment to imprisonment for a term not exceeding sixty day (60 days) or to both.
