Part 3 Zoning and Interpretation

3.1 Zones

For the purposes of this Bylaw the Town is divided into the following zones, the boundaries of which are shown on the attached Schedule 'A'. Such zones may be referred to by the appropriate symbols.

ZONES	SYMBOLS
Single Unit Residential	R-1
Two Unit Residential	R-2
Multiple Unit Residential	R-3
Commercial	C
Industrial	M
Institutional	I
Open Space	ROS
Conservation Open Space	COS

3.2 Zoning Map

Schedule 'A' is the Zoning Map and forms part of this Bylaw.

3.3 Zoning Boundaries

Zoning boundaries shall be determined as follows:

- (a) where a zone boundary is indicated as following a street or highway the boundary shall be the centre line of such street or highway;
- (b) where a zone boundary is indicated as approximately following lot lines, the boundary shall follow such lot lines;
- (c) where a railroad or railway right-of-way, electrical transmission right-of-way, or a watercourse serves as a boundary between two or more different zones, the centre line of such right-of-way or of such watercourse shall be the boundary;
- (d) where there is no landmark that indicates the precise location of a boundary, the boundary shall be scaled from the Zoning Map;
- (e) where a zone boundary is indicated as following the town boundary, the town limit shall be the boundary.

3.4 Permitted Uses

(a) In this Bylaw any use not listed as a permitted use in a zone is prohibited in that zone unless otherwise indicated.

(b) Where a permitted use within a zone is defined in this Bylaw the uses permitted in the zone include any similar uses that satisfy such definition except where a definition specifically excludes any similar use.

3.5 Measurement

All official measurements are in metric. Where imperial measurements are provided they are for information purposes only.

Part 4 Administration

4.1 Development Officer

The Development Officer, or designate(s), shall be appointed by Council to administer this Bylaw.

4.2 Development Permit Required

(a) Unless otherwise stated in this Bylaw, no development shall be undertaken in the Town of Hantsport unless a development permit has been granted by the Development Officer.

(b) The Development Officer shall only issue a development permit in conformance with this Bylaw except where a variance is granted or in the case of a nonconforming use or structure, in which case a permit shall be granted in conformance with the Municipal Government Act.

(c) Any development permit shall expire twelve (12) months from the date issued if the development has not commenced.

(d) A development permit may be renewed for an additional twelve (12) month period provided:

(i) the development permit has not been renewed previously; and

(ii) the Development Officer is satisfied that the development permit is consistent with the existing Land Use Bylaw and any proposed amendments.

4.3 No Development Permit Required

Unless otherwise specified, no development permit shall be required for:

(i) a development that involves the interior or exterior renovation of a building that will not change the shape of the building or increase its volume, will not add more dwelling units, or will not involve a change in the use of the building;

(ii) a fence or wall that does not exceed 1.8 m. in height;

(iii) a sign less than 0.2 m² in area where signs are permitted;

(iv) an accessory building less than 4 m² in area;

(v) public and private utilities located within a street right-of-way;

4.4 Information Required for Development Permit Applications

(a) Every application for a development permit shall be on an approved form and where necessary, shall be accompanied by a sketch or plan drawn to an appropriate scale and showing the following such as the Development Officer may require:

(i) the true shape and dimensions of the lot to be used, and upon which it is proposed to erect any building or structure;

(ii) the proposed location, height, and dimensions of the building, structure, or work in respect of which the permit is applied for;

- (iii) the proposed location and dimensions of parking spaces, loading spaces, driveways;
 - (iv) the location of every building or structure already erected on or partly on such lot, and the approximate location of every building on adjacent lots; and,
 - (v) any other information the Development Officer deems necessary to determine whether or not the proposed development conforms to the requirements of this Bylaw.
- (b) The application shall be signed by the owner of the lot or by the owner's duly authorized agent and shall set forth in detail the present and proposed use of the lot and each building or structure, or part of each building or structure, together with all information necessary to determine whether or not every such proposed use of land, building or structure conforms with the requirements of this Bylaw.
- (c) Where the Development Officer is unable to determine whether the proposed development conforms to this Bylaw and other Bylaws and regulations in force which affect the proposed development, the Development Officer may require that the plans submitted under Section 4.4(a) be based upon a current survey by a Nova Scotia Land Surveyor.

4.5 Amendment of By-law

- (a) Any person who wishes to obtain the amendment, revision, or repeal of this Bylaw shall submit an application in writing to the Development Officer of the Town of Hantsport.
- (b) The application shall state an address for service.
- (c) The applicant shall deposit with the Development Officer an amount estimated by the Development Officer to be sufficient to pay the cost of advertising required by the Municipal Government Act, Part VIII, Section 205. Where Council decides not to proceed with the application, the deposit shall be returned to the applicant.
- (d) After the notice and advertising required under the Municipal Government Act, Part VIII, Section 205, has been completed, the applicant shall pay to the Development Officer any additional amount necessary to defray the cost of advertising, or if there is a surplus the Development Officer shall refund the same to the applicant.
- (e) The applicant shall pay a processing fee of \$200.00, payable at the time of application. The fees shall only be refundable if the application is cancelled before the work related to processing of the application has begun.

5.0 General Provisions for all Zones

5.1 Accessory Buildings

(a) A detached accessory building may be permitted in any zone but shall not:

- (i) be used as a dwelling;
- (ii) be located within the front yard, in any Residential Zone;
- (iii) be permitted within the flanking yard on a corner lot;
- (iv) exceed 5 m in height; except in the Industrial (M) Zone; **(Amendment HLUB 17-03 Effective November 1, 2017)**
- (v) be built within 2 m of the main structure;

(vi) be considered an accessory building if attached to the main building by a common wall greater than 3 m in length; and,
(vii) be built within 1 m of a lot line,
(viii) exceed 90 m² in total ground floor area or 5% of the area of the lot, whichever is greater.
(As amended August 17, 2015)

(b) Accessory buildings located in the Highway Commercial (C-2) Zone shall have a minimum required yard of 1.2 m and no maximum floor area.

5.2 Accessory Uses Permitted

Where this Bylaw provides that land may be used for a purpose or a building or structure may be erected or used for a purpose, such purpose may include any accessory uses thereof, unless otherwise prohibited by this Bylaw.

5.2.2 Height Restrictions

The following height restrictions shall apply throughout the area of the Hantsport Land Use By-Law in all zones except the Industrial (M) Zone:

- (a) maximum height of all main buildings: 10.67 m (35 ft.).

(Amendment HLUB 17-03 Effective November 1, 2017)

5.2.3 Height Restriction Exemption

Any maximum height requirement set out in this By-law shall not apply to a church spire, lightning rod, water tank, monument, flag pole, silo, barn, television or radio antenna, telecommunications tower, ventilator, skylight, fire tower, drive-in theatre screen, chimney, clock tower, solar collector, power transmission tower, wind turbine or roof top cupola. **(Amendment HLUB 17-03 Effective November 1, 2017)**

5.3 Compliance with Other Bylaws

(a) Nothing in this Bylaw shall exempt any person from complying with the requirements of any other Bylaw of the Town or statute or regulation of the Province of Nova Scotia or the Government of Canada.

(b) Where the provisions in this Bylaw conflict with those of any other Bylaw of the Town or regulation of the Province or the Government of Canada, the higher or more stringent provision shall prevail.

5.4 Conformity with Existing Setbacks

(a) Notwithstanding anything else in this Bylaw, in any zone where a proposed building does not comply with the minimum front yard requirements, a building may be erected with a setback equal to the established building line, but shall not be less than 3 m from the street line.

(b) Only existing buildings within 60 m that front on the same street as the proposed building shall be used to calculate the established building line.

5.5 Corner lot Triangle or Day lighting Triangle

On a corner lot, no fence, sign, hedge, shrub, bush or tree or any other structure, vehicle or vegetation shall be erected, placed; or in the case of plants, permitted to grow to a height greater than 0.6 m above grade within a corner lot sight triangle.

5.6 Existing Buildings

(a) Where a building has been erected on or before the effective date of this Bylaw on a lot having less than the minimum frontage or area, or having less than the minimum yard setback required by this Bylaw the building may be enlarged, reconstructed, repaired or renovated provided that:

(i) the enlargement, reconstruction, repair or renovation does not further reduce the required yard that does not conform to this Bylaw;

(ii) all other applicable provisions of this Bylaw are complied with.

(b) Notwithstanding anything else in this Bylaw, the use of a building existing on a lot on the effective date of this Bylaw, may be changed to another use permitted on the lot where the lot frontage, front yard, or area required is less than the requirements of this Bylaw, provided that all other requirements of this Bylaw are satisfied.

5.7 Existing Lots without Frontage

Notwithstanding subsection 4.7 of this Bylaw, an existing building on a lot which does not have frontage, but which has legal access to a public street may be expanded or enlarged, provided that:

(a) all other requirements of the Land Use Bylaw are met; and,

(b) no additional dwelling units are created.

5.8 Existing Undersized Lots

Notwithstanding anything in this Bylaw, a vacant lot having less than the minimum frontage or area required by this Bylaw that was in existence at the effective date of this Bylaw, may be used for a purpose permitted in the zone in which the lot is located and a building may be erected on the lot provided that the other applicable provisions of this Bylaw are complied with.

5.9 Fences

(a) A development permit is not required for fences less than 1.8 m in height.

(b) Fences shall not:

- (i) exceed 2.4 m in height in residential zones, or 3.6 m in height in all other zones; "
- (ii) if higher than 1.8 m, be closer than 1 metre to the nearest property line.
- (ii) contain barbed or razor wire in any Residential Zone;
- (iii) be electrified unless erected in conjunction with an agricultural use; and,
- (iv) where visible from a street or other public space, be constructed with the supporting apparatus facing the public right-of-way.

5.10 Frontage on Streets

No development permit shall be issued unless the lot or parcel of land upon which the development is proposed abuts and fronts upon a street.

5.11 Illumination

No person shall illuminate any area of a lot unless all lights are directed away from adjoining properties and any adjacent street.

5.12 Multiple Uses

Where any land or building is used for more than one purpose, the provisions of this Bylaw shall be interpreted so that the highest or most restrictive regulation for each single use included in the development shall be applied.
