West Hants MPS

- **Section 9.1 General Resource**

“The General Resource (GR) zone encompasses most of the land outside the Growth Centres, Village and Hamlets which is not zoned for agricultural, mineral or water supply use. It includes Crown land and pockets of cottage development. The zone is intended to apply to rural areas which are not subject to intense development pressure.”

“The GR zone is a general, rural resource zone where resource activities are considered paramount, but where a range of residential and small-scale commercial and industrial uses that provide a service to residents of the surrounding countryside will be permitted.”

West Hants MPS – General Criteria Policy
